

CHCSS00133 – SKILL SET

Induction to Disability Support

Description

This specialist skill set is designed as a path to 'in-demand' employment in the disability sector.

In just 13 weeks with 25 hours of guaranteed work placement, participants will be fast-tracked into employment, providing them with the essential skills required to support individuals with disabilities.

The Induction to Disability Support Skill Set has been endorsed by industry as it focuses on equipping workers with the knowledge needed to navigate the evolving disability sector and prepares students to be work ready.

Pathways Information

Achievement of these units provides credit towards a range of qualifications in the CHC Community Services Training Package and HLT Health Training Package.

Target Group

This skill set is for individuals who are entering the disability sector.
